#EYE2020

European Parliament, Strasbourg
29-30 May 2020

WHAT IS EYE

Every two years, the **European Youth Event** (EYE) brings together thousands of young people from all over the European Union and beyond to shape and share their **ideas on the future of Europe**.

It is a unique opportunity for young people to **meet** and **inspire** each other and decision makers right in the heart of European democracy.

During two days, participants have the opportunity to take part in a variety of **activities** and experience **artistic performances**, co-created with partners, youth organisations and participants themselves.

Expect also to meet many inspiring **speakers, decision-makers, experts, activists** and **influencers!**

REPORT AND HEARINGS

Following the event, the **concerns, hopes** and **ideas** from young people are presented in a **report** distributed to all **Members of the European Parliament** (MEPs).

Some participants will also be able to further develop the most **inspiring ideas** and present these directly to the Members of the European Parliament in the parliamentary committees during **youth hearings**.

PARTICIPATION

The EYE strives to promote **equality** with a strong commitment to **accessibility** for everyone.

All young Europeans who are between **16** and **30 years old** can take part. To register, you need to form a group of minimum 10 people.

Participation in the EYE is **free of charge**. Participants need to arrange their own travel to and accommodation in Strasbourg.

The EYE is an event **for youth, co-created with youth**. Participants can propose and organise interactive or artistic activities.

The European Parliament is committed to **promote inclusiveness** and **civic engagement**. Groups can apply under certain conditions for a **financial contribution**.
